

VOLUNTEER OPPORTUNITY

Ambassador/Docent for Visit Lake Norman and the Visit Lake Norman Visitor Center & Gift Shop

Seeking energetic, friendly, dependable volunteers! If you are people-oriented and interested in a fast-paced way to give back as an Ambassador to the community, the Visit Lake Norman Visitor Center is the place for you!

Lake Norman Region (Cornelius, Davidson, and Huntersville, NC) – Visit Lake Norman is seeking energetic, friendly, dependable volunteers. If you are people-oriented and interested in a fast-paced way to give back as an Ambassador to the community, the Visit Lake Norman Visitor Center is the place for you!

"Our ambassadors and volunteers are such a critical part of the Visit Lake Norman staff," said Sally Ashworth, Executive Director of Visit Lake Norman. "They act as the front-line to our most vital audience-the visitor."

Ambassadors and Volunteers will learn more about the Lake Norman region while assisting visitors and callers in finding the resources or information they seek. Duties also include greeting guests, helping with front desk responsibilities, administrative tasks, and helping maintain inventory. In appreciation for such valuable service, volunteers are eligible to receive incentives which may include gift certificates to area restaurants and attractions, sponsored outings, snacks while on shift, and meeting great people from around the world.

For the Visitor Center - we ask that you commit to a regular schedule and serve one shift (4 hours per shift) a week. Shifts may be based on availability and are Monday through Friday 9:00 a.m.-1:00 p.m. or 1:00 p.m.-5:00 p.m.

We are looking for great people who "fit" with our organization and mission statement. Ambassadors and Volunteers must complete a screening process which includes an application, interview, and on-the-job trial period. If interested, download a volunteer application and/or call Visit Lake Norman at 704-987-3300.

For more information about us visit www.VisitLakeNorman.org. To apply, complete an application and submit:
